

E. C. CRUISERS CAR CLUB

Thank you for your interest in the E. C. Cruisers Car Club. You will find information about the club and membership in this brief letter. Please feel free to contact our club Public Relations Officer or Club President with additional questions.

The E.C. Cruisers Car Club was formed as a non-profit car club in January of 1992 by several employees of the Elliott Company in Jeannette, PA who all shared common interests in anything automotive and their place of employment, the Elliott Company. The gathering of these coworkers and friends turned out to be the beginning of what was to become the E. C. Cruisers. Over the years the Club increased in size and was ultimately open to membership outside of the Elliott Company. Fast forward and today the club is comprised of individuals, couples and families from throughout western Pennsylvania.

The E.C. Cruisers adopted a club logo which consists of a car rearview mirror with dice and the words “Looking Back”.

The Club holds an annual Valentine Brunch, summer picnics and a Christmas party. Monthly meetings are held including updates on Club business, presentations, guest speakers and good food. Several mystery cruises and outings are held each year and usually a bus trip to an automotive venue promoting good fellowship, education and safety related to automotive industry throughout Western PA. The membership of the Club strives to be a positive influence in the community through charitable functions, donations and community-related events.

There are no restrictions on vehicle ownership in our club. We have members that own prewar, classic, custom, muscle, streetrod, restomod, kit, foreign, retro and late model cars. In fact, we have several members that don't even own a collectible car, they just enjoy automobiles, club events and friendships.

The E.C. Cruisers consistently hosts five annual car cruise events in Westmoreland County consisting of the Greensburg Community Days cruise, two Bovard VFD Burger Bash cruises and the Bruster's New Stanton BBQ and Ice Cream cruise. The year ends with the Clubs largest cruise, the Kids car cruise which benefits the Westmoreland County Children's Bureau to help the children in need throughout Westmoreland County. As of 2023 the E.C. Cruisers has donated in excess of \$130,000 to the Westmoreland County Children's First to help the kids in need.

Other beneficiaries receiving donations were various local Westmoreland County volunteer fire departments, Easter Seals Society, Boy Scouts of America, Ronald McDonald House, New York Twin Towers Fund, American Diabetes Foundation, Multiple Sclerosis Foundation, Greensburg/Hempfield Library, Pittsburgh Children's Hospital, Children's Miracle Network, City of Greensburg police K-9, Latrobe Police Department, WCCC Ron Waugaman Memorial Fund which gave scholarships to those entering the Police Academy and various animal shelters as well as many others.

The E.C. Cruisers thanks the Elliott Company and its Founding members for creating a club that has remained a positive charitable influence in the Westmoreland County Community. Over the past years the E.C. Cruisers car club membership has maintained a standard of good fellowship and sportsmanship as well as a common interest in anything automotive. The E.C. Cruisers strives to promote education in the preservation of collectible vehicles and looks forward to many more years of automotive activities and community support.

We would like to invite you attend a one of our general club meetings which is held the first Sunday of each month at 7pm in the Salem Lutheran Church Hall, 301 East Pittsburgh St., Delmont, PA 15626. This would allow you an opportunity to meet with some of the members and submit your membership application. At a second meeting the membership will vote on you and or your family as new members.

Again, thank you for your interest in becoming a member of the E.C. Cruisers.
